South Korea, officially the Republic of Korea (대한민국; Hanja: 大韓民國; Daehan Minguk,; lit. "The Great Country of the Han People"), is a country in East Asia, constituting the southern part of the Korean Peninsula and lying east to the Asian mainland. 10000 relations.

**South Korea - Unionpedia, the concept map**

The remedy is to replace the seal (an often costlier fix that involves a partial rebuild) or rebuild or replace the engine. Valve seals normally fail due to a clearance problem between the valve and the valve guide in the cylinder head. When they become loose, the valve is able to "rock" side to side in the bore and thus hogs out the seal.
