Berlin Rules : Europe and the German Way - Paul Lever ...

In the opening chapter of Berlin Rules, Lever hints at what to expect when he states that Germany “exercises power in Europe and provides the impetus for all of the EU’s decisions” but that it is “power without purpose.” What sounds like a compelling phrase that will be very much appreciated by German politicians who fear nothing more than being connected to the dark past of Germany, is actually nothing but an empty phrase that obscures more than it enlightens the reader.

BERLIN — German Transport Minister Andreas Scheuer aims to clear the way for an almost blanket motorway toll for cars across Germany and Europe during the country's presidency of the European ...

Germany wants to introduce car toll across European Union ...

Compared to the extreme disunity and cynicism that rules the U.S. political process, the EU 27's decision-making process — difficult and suboptimal as it was — nevertheless led to constructive results. That is a most useful reminder as Europeans reflect on the topsy-turvyness of the just concluded European Summit.
