In your first semester or we can say first year focuses mainly on recapitulation of the subjects and concepts that you've studied in class 12. Though, pattern may differ from one college to other. Like, suppose if you are studying all the subjects related to physics in 1st semester then in 2nd semester you'll get the subject related to chemistry and in some other college this can be either way ...

Each February, engineering clubs at UB plan a week of activities, displays, and competitions. Although you may not be an active member of a student club yet, first year students are encouraged to attend E-Week events to learn about opportunities for future involvement. Check the UB E-Week webpage for an updated schedule of events and activities.
