How To Mend It Repair
Sew a rectangle of fabric onto the inside of a garment, as British professional textile repairer Molly Martin did on the back of this denim dress, and let the tidy stripes of thread get the attention. Patch Up a Throw Blanket. Or add pops of color, as on Martin's heavy linen blanket, by affixing them to the outside.

Place the teabag on your nail. When the clear base coat is still wet, carefully place the rectangle piece of tea bag onto your nail to cover the split section. Gently smooth the tea bag out with your finger or a cuticle stick, to make sure there are no air bubbles underneath the surface of the teabag.

How to Fix a Split Nail: 10 Steps (with Pictures) - wikiHow
Gather a needle and thread. Choose a needle and thread according to the item you are trying to repair. If you are working with a delicate fabric such as chiffon, lace, or silk, choose a thin needle and correspondingly thin thread. If you are working with a heavier fabric, such as denim or canvas, you will need a thick needle and thick thread.
