My Inventions And Other Writings

About My Inventions and Other Writings. The fascinating autobiography of the legendary inventor behind the radio, wireless energy, robotics, and much more. Famous for his pioneering contributions to the electronic age, his lifelong feud with Thomas Edison, and his erratic behavior, Nikola Tesla was one of the most brilliant and daring inventors and visionaries of his time.

My Inventions and Other Writings by Nikola Tesla ...

It'd be a 5 stars if the diagrams mentioned in Tesla's other writings were included. I found myself zoning out a bit with the chem and physics talk. I love the math behind it, but the science confuses me, and the diagrams would have been very beneficial. Tesla had great visions of inventions and peace. He had OCD and a photographic memory.
