Customer Reviews. Psychology Themes and Variations continues  
to offer a superb thematic organisation together with practical  
applications and South African examples that help students see  
beyond research to big-picture concepts. The text surveys  
psychology's broad range of content with three aims: to  
illuminate the process of research and its relationship to  
application, to show both the unity and diversity of psychology's  
subject matter, and to help students master the basic concepts
