Timing Chain Renault TRAFIC | MISTER AUTO

renault TRAFIC II Van From 2001 to 2014 The primary purpose of timing chains in a vehicle is to make sure the engine's valves all open and close at the proper times. A timing chain is essentially the same as a timing belt but generally speaking has a much longer service life. It is important to follow your car's service plan and replace the timing chain per the manual's recommendation.
