God at War was the first book in this series and Satan and the Problem of Evil was the second. (The third, The Myth of the Blueprint, is still in the works). In this second book I present a thorough philosophical defense of "the warfare worldview," attempting to explain how a world created and sustained by an all-good, all-loving God could become as nightmarishly filled with pain as our ...

In *God at War* and *Satan and the Problem of Evil*, I argue that we can plausibly insert them between verses 1 and 2 of Genesis 1 (this is known as "the gap theory," since it posits a gap between these two verses). God created all that exists (vs. 1) but we find it to be "formless and void" in verse 2.
