You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might

This is the sixteenth book in the Stargate Atlantis series; and the first book in a six book series that takes place after the end of the final season of the tv series. An epic battle was fought with the Wraith and now Atlantis is safely home on earth parked not far outside of San Francisco in the ocean.
