### Wooden Boat Building Fyne Boat

Welcome to Fyne Boat Kits, makers and suppliers of wooden boat kits, boat plans and boating equipment. Our range of recreational and performance watercraft includes rowing, sailing and motor boats, canoes and kayaks as well as surfboards and paddleboards. We accept a few commissions per year for custom-built boats from the designs in our range. We can supply your boat fully finished and kitted out, or you can finish it yourself.

### Build your own Fyne Boat Kit at home

Although wooden boat building is too labour intensive for wooden boats to compete commercially with their plastic counterparts, wood is still one of the best structural materials for small boats. Wood and epoxy are used to build some of the world's best multi-hull sailing boats, sprint kayaks and rowing shells. Wood is up to 10 times stiffer ...

### Wooden Boat Building - Fyne Boat Kits

Build your own wooden boat under expert tuition on one of our boat building courses in our fully-equipped workshop. You'll be part of a group of like-minded builders learning the craft of boatbuilding together. Our experienced instructors will help you assemble your own boat from start to finish. Most classes are 5½ days - a perfect one-week holiday, with your own boat to take home at the end.

### Boat-Building Courses - Fyne Boat Kits

In this 10-day class you will build your own wooden boat from one of our stitch-and-glue boat kits. The course runs from Monday 9th to Friday 20th November and your boat will be ready to take home on the Saturday (21st November). Book your place by Tuesday 12th October. This ten-day course is suitable for building boats that can't be done in one of our five-day courses, or for builders who want to take a little more time over the build (the five day course requires you to maintain a fast ...
